Work jacket, ARC protection (APC1), medium risk (B2)

009VA2PFA

Discover the Multinorm UP version: Rodari (602U) | This one-colour jacket with arc protection features double-stitched reflective FR strips on the shoulders and arms and protects against heat and metal splashes. The jacket is made from a breathable, non-allergenic fabric with moisture-regulating properties. With 2 loops for gas detection meters, 2 patched chest pockets and 2 slanted pockets with concealed press studs closure, this is an extremely practical flame retardant anti-static jacket.
