High-vis Fleece jacket

131ZA2T01

The soft, double-sided Reims fleece ensures a warm and cosy feeling all winter long. The wind breaker at the front offers extra protection against wind, and the elastic sleeve ends and waist ensure that the fleece fits perfectly to your body and the wind does not stand a chance. The fleece is resistant to pilling and besides you can zip this fleece into the Brighton rain jacket (132Z) using the I.L.S. system.
