

Vermont

Cold storage jacket

2123A2PB4

If you work in extreme cold conditions, our Vermont cold storage coat is an excellent choice. The high-tech insulating thermal lining protects you to -40°C ! This jacket has four large pockets so that you can have all your equipment at hand in extreme cold weather.

Traditional wear-intensive areas such as shoulders and elbows have been reinforced. This stylish and comfortable jacket is fitted with an inner collar in fleece and knitted wind cuffs in the sleeves so you can work in extreme cold temperatures with minimal loss of body heat.
