

Omero Hi-vis T-shirt

3885A2MC2

The Omero hi-vis T-shirt with short sleeves excels in its simplicity, but is anything but ordinary. This very light and airy T-shirt quickly drains absorbed moisture, keeping you fresh and dry. Its inherent antibacterial properties eliminate unpleasant odours. In addition, extra ventilation is provided via a mesh under the arms. The reflective strips on the T-shirt are stretchable and move smoothly with you.
