Bonded softshell jacket with detachable sleeves

624ZA2TU2

The fashionable, versatile Torreon is made of high quality, maintenance-free materials. The light and supple softshell offers optimal protection against wind and rain. The standing collar and the sleeve narrowing keep out the wind. In addition, the two-tone Torreon has one chest pocket, two inset pockets and one inside pocket. The handy ergonomic zipper pullers are of YKK quality. Thanks to the detachable sleeves, this jacket can be worn all year round. This comfortable softshell can be combined with the Tornhill and Cumbria jackets thanks to the I.L.S. system.
