

Elliston

Flame-retardant, anti-static high-vis rain jacket

7219N3EF7

The Elliston is a flame retardant and anti-static hi-vis raincoat that has two contrasting colours with reflective FR strips. The fabric used is perfectly waterproof and never gives you a clammy feeling thanks to the breathable coating. A hood (sold separately) can be attached to the standing collar or it can be stored inside the jacket in a specially provided pocket. With one extra inner pocket, two patched pockets, two loops for gas detection meters and sleeve narrowing by press studs this is a very functional coat. This jacket can be combined with two separately available fleece linings that can be zipped in during colder weather.

Colours

- High-vis yellow/Navy blue (278)
- High-vis orange/Navy blue (279)

EU Size

XS-5XL
